OFFICE OF THE PUBLICITY OFFICER TO THE GOVERNMENT OF MYSORE, BANGALORE.

PUBLIC OFFICES.

Notification dated 27th December 1943.

Press Note.

It has come to the notice of Government that some misapprehension exists in the minds of the public that local authorities in certain areas have prohibited the harvest of crops like ragi, jola, etc., without the previous permission of the authorities concerned, and that the raiyats would be put to considerable loss if the crops deteriorate before such permission is granted. Government wish to make it clear that no such prohibition exists under the harvest scheme and that only the movement or transport of foodgrains is controlled under permits. Such permits are required only in cases where the residence or store of a holder of land is outside the village limits. No permit is required where the land and the residence of the holder are in one and the same village.

OFFICE OF THE DIRECTOR OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification No. 6372—*Spl., dated 25th December* 1943 —*3rd January* 1944.

It is hereby notified for the information of the public that declared holders as defined in Government Notification No. S.D. 3704-C—151-43-5, dated 3rd December 1943, will have to observe the following procedure when sending in the form of application for retention of stocks in H. S. Form No. 2.

1. Declared holders living in the rationed areas will, along with H. S. Form No. 2, duly filled in, send to the Amildar of the Taluk in which the lands are situate, an extract from the Ration Cards they hold, certified by an Honorary Magistrate or any Officer not lower in rank than an Assistant Food Inspector, giving details of the strength of the family, their names, ages and relationship to the holder. This is to avoid the Amildar of the Taluk where the land is situate having to make a reference to the Amildar of the Taluk where the 'Holder' lives for verification of these details and the consequent delays in the disposal of the case.

2. Absentee landlords and other declared holders residing in non-rationed urban areas or taluks other than those in which the land is situate, may similarly, in order to avoid delay, send along with H. S. Form No. 2, an affidavit before any Honorary Magistrate or any Officer not lower in rank than an Amildar containing particulars about the strength of the family of such declared holders, with names, ages and relationship of each person in the family to the holder.

3. The Amildar of the Taluk where the land is situate will accept the above as correct and take action to determine the quantity to be exempted to the holder on the basis of the above information.

*Notification No. A*4. 2441—43-44, *dated Chikmagalur, 4th January* 1944.

Whereas it is reported that "Rinderpest" is prevailing in the undermentioned villages in all the Taluks and the Sub-Taluks of the District and whereas it is necessary to prevent the spread of the disease to other parts, it is hereby notified as follows for the information of the general public, under Acts VI of 1899 and II of 1927 and Rules 6 and 12 of the rules framed thereunder.

1. That no person in any of the undermentioned villages having in his or her possession or under his or her custody any animal which has lived in the same shed or stable or in the same herd of flocks as an animal declared to be suffering from such disease shall allow it to mix with other animals or shall sell, exchange or transfer it.

2. That no owner or persons in charge of cattle within any of the undermentioned villages shall take his or her animal or animals outside the limits of the villages nor shall take his or her animal or animals to a gomal or common grazing ground, the right of grazing in which belongs wholly or in part to other villagers:

Provided that restrictions specified under paras 1 and 2 above shall not apply to cattle inoculated at least ten days prior to the date of such movement, sale or exchange.

3. That no person shall bring any cattle from such infected area to any cattle market or fair.

4. Persons intending taking cattle to Ottley cattle and Vegetable Farm from Chitaldrug. Hassan and other Districts should before entering the limits of Kadur District invariably obtain the necessary certificate from Veterinary Officer of the Districts of Chitaldrug, Hassan, to the effect that the cattle are inoculated successfully against 'Rinderpest' and are inoculated ten days prior to such movement as the movement of infected cattle from place to place helps the spread of Rinderpest. The certificate should describe in detail each individual animal protected by inoculation.

5. Any action done in contravention of this order will render the offender liable on conviction to a fine which may extend to Rs. 50 and to a further fine of Rs. 5 for every day during which the breach continues.

This will be in force for one month with effect from 8th January 1944.
